<http://www.ldresources.com/>

The LD Resources web site has been providing resources for people with learning disabilities since 1995. The site has recently been overhauled with better organization, more resources, and a discussion area where users can post questions, their own resources or stories, or join numerous ongoing discussions. LD Resources is a non-commercial site designed, built, and run by Richard Wanderman who is an educational technology consultant, well-known presenter, and a successful adult with a learning disability.
